Summary

A passionate and detail-oriented web developer with a strong foundation in HTML, CSS, JavaScript, and Bootstrap, complemented by a growing expertise in React. Experienced in developing responsive, user-friendly websites and working effectively within team environments. I am eager to contribute my technical skills and creativity to innovative web development projects.

Technical Skills

- Web Development: HTML, CSS, JavaScript, Bootstrap, Tailwind CSS
- JavaScript Libraries & Frameworks: React (Basic)
- Databases: MySQL, Microsoft SQL Server, MongoDB
- Programming Languages: Java, SQL
- Tools: Git, Vercel, Figma, Visual Studio Code

Projects

[Cake Shop Website](#) | HTML, CSS, JavaScript

- Developed a fully responsive website for a local cake shop showcasing products and customer reviews.
- Implemented features to enhance user experience and improve customer engagement.

[React Todo List](#) | React JS, Tailwind CSS

- Created a to-do list application where users can add, edit, and delete tasks, with data persisted using browser local storage.
- Enhanced user interface with Tailwind CSS.

[Country Finder](#) | React Vite, Tailwind CSS

- This web app allows users to search and filter countries by region, with detailed information such as population, borders, and more.
- Features a responsive design and a dark mode toggle for improved accessibility.
- Focuses on user-friendly navigation and visually appealing interface using modern web technologies.

Education

Bachelor of Science in Information Technology | Mumbai University, Graduated: 2024

- CGPA: 9.3
- Relevant Coursework: Web Development, Database Management, Java Programming, Software Engineering

Extracurricular Activities

Volunteer, National Service Scheme (NSS) Unit

- Participated in community service activities, enhancing teamwork and leadership skills.

Class Representative (CR)

- Served as the class representative for three consecutive years, coordinating communication between students and faculty.

Professional Skills

- Communication: Excellent ability to present complex technical information clearly and effectively.
- Teamwork: Proven ability to collaborate and contribute in team settings to achieve common goals.
- Problem-Solving: Adept at troubleshooting and resolving technical issues efficiently.
